

## **GCPAA Board Meeting August 9, 2021**

**Members in attendance:** Jennifer Baker, Laura Wolfe, Shannon Evans, Sara Hare, Angela Martin, Susan Skaggs, and Kim Watters

### **Upcoming events:**

1. Parent reception—very low key, trying to get 301, menu: sodas, crackers, cheese, cookies, etc. Plan on 30-40 people starts 6:00 pm
2. Susan will make QR codes for parents to sign up for. Ariosto committees. Board members will give short presentations about each committee— Concessions (Sara); production (Susan) set up take down house manager ushers costumes and re doing curtains for dressing rooms, drivers for Barbershop rehearsal; ticket team (Jennifer); hospitality team (Angela) shop and drop, serve meals, cook meals; fundraising committee (Jeff and/or Debbie);
3. Dr. Watters will talk about trips—January for Barbershop in California; June for NYC; Thescon; All-State.
4. No plans for any modifications for performances from the school system or GHSA
5. Shannon will update booster page on website, adding agendas, tax information, meeting notes, etc
6. Put dates on the website for shows and chorus performances; Dr. Watters had cards printed out to direct people to website
7. Need to get Reminds settled for parents at reception—do QR codes for Remind
8. We need to leverage the power of the website to increase parent participation

### **Financial:**

1. Two grants available: COVID cares money—\$5000, Ratner—up to \$2500; applications due at end of the month
2. Jennifer will send tax info to Shannon so that she can post on website
3. Dr. Watters will contact corporate sponsors.
4. School board additional funds were given to the program to buy a new sound board and to redo the floor.
5. Greg Asbury has the square program and possibly some extra iPads for concessions; Susan will check on an old iPad that she has
6. We will need to buy a new popcorn machine in the next 2 years; additional projected income from square sales should cover cost of around \$600
7. Amazon Smile reinstated. Laura Wolfe knows how to keep it going. App will drop it. Go through safari \*Corrected: figured out way to incorporate AmazonSmile in app.
